

LONDON'S ORIGINAL  
EDUCATION BUSINESS PARTNERSHIP

## Volunteer Registration Form

At Spark! we are looking for people from all walks of life and business backgrounds to help with the many different activities that we organise each year. If you are able to help with any of the following we would love to hear from you.

### How you could change a young person's life...

- Career Taster Days** – Share with young people what it is like to work in your industry through talks, workshops or Speed Networking.
- Science / Maths Days** – Inspire young people about applied Science & Maths in the workplace. Interactive workshops to demonstrate how Science or Maths are used in industry and everyday life.
- Mock Interviews** – Interview a young person & give them feedback to help develop their confidence and a better start in the working world.
- Enterprise Challenges** – Help to facilitate enterprise challenge events and guide young people in essential employability skills.
- Work Experience** – Host a student(s) on a one or two week work experience placement at your business.
- Industry Insight Days** – Host a group of students for the day (or part of a day) and introduce them to the world of work in your industry.
- Speakers** – Motivate and inspire young people talking to them about a work related area about which you are passionate.
