Introduction

Spark! gives young people at school the opportunity to spend time with employers and discover the needs and challenges of the workplace. Our ambition is to inspire young people, to show what they can achieve, enhance their employability and to prepare them for the workplace.

The 28th Spark! Partnership Awards is organised by our staff team with the support of sponsors and judging panel.

Spark! delivers a range of services to schools in West London:

- Consultancy services for schools and businesses
- KICKSTART, our KS4 Employability Skills and Enterprise programme
- A range of additional work related learning opportunities from The Eton Summer School to The Kempton Park Maths Day from KS1 to KS5
- Work Experience and Internship brokerage services

We are delighted this year to welcome Mark Davis of EMC and Mr Pattar of The Heathland School to talk about their experiences of work between schools and businesses.

INDIVIDUAL / TEAM AWARDS OF THE YEAR

Volunteer(s) of the year

Presented to Sunny Gata-Aura, Bempah Osei and Charlotte Woods of Sky. This team has demonstrated great commitment to supporting Spark! and the young people of Hounslow by volunteering at four Spark! school events over the past year. They have gone above and beyond the 16 hours volunteer time allocated for Sky staff by volunteering on their holiday time to represent Sky, visiting schools to inspire students and help them build life skills.

Teacher(s) of the year

The first year for this category, we could not choose only one teacher, and the following shared the honour: Gemma Adams of St Mark's Catholic School, Jason Hermon of Lampton School and Jane Buck of Green Dragon Primary School.

Apprentice of the year

• Raphael Duncan (Apprentice at Cranford Community School) – "Learner that came onto the programme with the most challenges to overcome. He made the most progress and secured his Apprenticeship."

Highly commended

• Lizzie Franklyn (Apprentice at Hounslow Homes) and Rebecca Consiglio (Apprentice at Quilliam Property Services) – both set themselves ambitious targets and achieved them.

Work experience student/ Intern of the year

• Melina Namdar, nominated by Brentford School for Girls (for work experience at TeaPigs) – "Melina was absolutely brilliant whilst she was with us; our only problem was that we were unable to keep up with how quickly she completed each of the tasks sent to her. She quickly gained a friendly Teapigs manner to speak on the phone and was un-phased by calling up customers to collect outstanding payments! She was helpful, friendly and showed a genuine interest in Teapigs both as a product and as a small, fast paced company. She will be a great asset to any company looking to employ her."

Highly commended

- Ryan Ward, nominated by Sky
- Conor Subasi, Chiswick School, nominated by Chiswick Moran Hotel
