# Time audit

## How do you spend your day?

We each have approximately 112 waking hours a week, is your mentee using them effectively to achieve their goals? Support them to fill out a timeline, like the one below, of their previous (or typical) 24 hours. Fill out your own as well. Facilitate a conversation by comparing notes, and exploring if your mentee could spend their time more effectively.

Hour	What did you do?	How long for?	Hour	What did you do?	How long for?
1am			1pm		
2am			2pm		
3am			3pm		
4am			4pm		
5am			5pm
